### Two Year Old's Programs

#### *New Twos Program*

The New Twos Program is a wonderful first separation experience for your young two year old. The class will run from 9:00 to 11:30 am. Loving and experienced staff provide a warm welcome and help you and your toddler comfortably separate for the first time. Separation is handled individually for each child. Activities appropriate for our youngest learners include: art, music, cooking, water play, and nature. In order to attend the New Twos Summer Program, your child should turn two by September 26, 2017. The class will consist of a group of approximately 10-12 children with a teacher, 2 assistant teachers and 1 counselor in training. Children do not need to be toilet trained.

#### **Toddler Transitional Program**

The Toddler Transitional Program is for the two to three year old who has attended a program where they comfortably separated from their caregiver during the past school year. The class will run from 9:00 am to 12:00 pm. Activities include: art, cooking, science, music, nature, water games, car/bike yard, and so much more! If your child was in an Alcott School Toddler Class, every effort will be made to place him/her with classmates from the previous school year. The Transitional class will consist of a group of approximately 15-17 children with a teacher, two assistant teachers, and a counselor in training. Children do not need to be toilet trained.

This is designed to minimize the stress on working parents by providing a high quality program with the extended hours working parents need.

Please note that any new child enrolling in our summer program will require a preschool interview prior to the first day of attendance. Once you have submitted your application, we will contact you to arrange a mutually convenient time. If your child is already a student in our programs, you will not need to arrange for this interview.
